Students in grades 3-9 were given the opportunity to help victims in Haiti this month. Ed Applegate (Timmy Creighton's grandfather) printed little flyers containing information for donating money to the Red Cross. Small businesses were contacted by students to leave flyers showing several ways to make donations to the Red Cross. This was a great community service project.

Saturday night the 30th of January found students at Springs Adventist Academy screaming with laughter. An obstacle course, bounce house, and slide were the hit of the evening. Veggie burgers, chips, and rootbeer were served to the parents and students. This was the best Winter Fest ever!! Students are already asking for another fun Saturday night at Springs Adventist Academy.
